### **Raising Successful Teens**

Nearly 14 percent of working age Americans are either starting or running a business. 50 percent of those businesses will fail in five years or decline over 70 percent after ten years. Starting a company is no walk in the park-- it takes confidence and heart, but most of all, it takes planning and understanding what exactly your business needs to succeed in its niche. The worst thing you can do when taking that leap to start a business is leaping "without a parachute." Dr. Sterling L. Carter and Stephen Levi Carter, MBA, know this all too well, and in Double Your Success, they share their decades of experience and knowledge so that you can plan how to build your business every step of the way.

### **"Cool Stuff" They Should Teach in School**

## **Living the Success Principles**

Self-Esteem expert Jack Canfield and noted educational speaker Miriam Laundry reveal that the biggest bully in a child's world is not lurking around the corner but living inside her head. Words have power. The words others say to us can either lift us as high as the clouds, or drop us down like a crashing plane. But what about the words we tell ourselves? What about that constantly running inner voice? In truth, what we say to ourselves impacts us even more than what others say to us.

"Pigtails are for babies!" she snarled at me. Her words hurt more than the time I broke my arm. I quickly untied my hair. I wore my hair down for the rest of the school year. That was the first time I met the Big Bad Bully. . . . She called me names like "fatty," "piglet" and "ugly." Things are worse now that I am in the 6th grade. Even when I don't see her, I can always hear the whispers, the giggles, and the growls. So goes the mesmerizing story of a young girl who grows up with a voice that ridicules and demeans her. In the end, we discover that her tormentor is staring back at her every day in the mirror. Featuring stunning artwork, this small yet profound book is a tool for engaging children, young adolescents, parents, and caring adults about the impressions they make on themselves with their thoughts and self-talk. Included are powerful workbook exercises and resources for implementing healthy self-esteem habits that can last a lifetime.

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. PLEASE NOTE: The paperback includes a starter set of labels for your refrigerator; the ebook and audiobook include a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397). ## Success Affirmations

Jack Canfield is a master motivator, world-renowned teacher, and bestselling author of *The Success Principles*. In his latest book, *Success Affirmations*, he helps readers break through to new levels of passion, purpose, and prosperity with 52 affirmations and time-tested wisdom. In our 24/7 world, where we move at warp speed, sometimes we let life happen to us instead of taking control of our direction. Other times, we suffer from information overload, and we fail to consciously control our positive thoughts, and we allow negativity to take over. For those who want to rise above, to get unstuck, or to catapult to a new level success, Jack Canfield will show you how positive affirmations can transform your life in extraordinary ways. Canfield, with the help of esteemed coauthors Kelly Johnson and Ram Ganglani, explains what positive affirmations are (and what they are not), why they are so effective, and how to effortlessly integrate their practice into your life. Pulling the most effective tenets from his bestselling book *The Success Principles*, Canfield covers all areas of life, from financial prosperity and creative pursuits to your career and positive relationships. *Success Affirmations* reveals:

- How to avoid letting life just happen to you, and how to proactively go after your dreams
- How to use the power of deliberate thought to create the reality you want
- How to identify your true passions and purpose to direct your affirmations to concrete goals, not nebulous ideas or someone else's vision
- How to harness positive energy to attract what you want in your life through the Law of Attraction
- How to unplug from technology and plug into your true source of energy
- And much more!
