War with Russia?

Is America in a new Cold War with Russia? How does a new Cold War affect the safety and security of the United States? Does Vladimir Putin really want to destabilize the West? What should Donald Trump and America's allies do? America is in a new Cold War with Russia even more dangerous than the one the world barely survived in the twentieth century. The Soviet Union is gone, but the two nuclear superpowers are again locked in political and military confrontations, now from Ukraine to Syria. All of this is exacerbated by Washington's war-like demonizing of the Kremlin leadership and by Russiagate's unprecedented allegations. US mainstream media accounts are highly selective and seriously misleading. American "disinformation," not only Russian, is a growing peril. In *War With Russia?*, Stephen F. Cohen—the widely acclaimed historian of Soviet and post-Soviet Russia—gives readers a very different, dissenting narrative of this more dangerous new Cold War from its origins in the 1990s, the actual role of Vladimir Putin, and the 2014 Ukrainian crisis to Donald Trump's election and today's unprecedented Russiagate allegations. Topics include: Distorting Russia US Follies and Media Malpractices 2016 The Obama Administration Escalates Military Confrontation With Russia Was Putin's Syria Withdrawal Really A "Surprise"? Trump vs. Triumphalism Has Washington Gone Rogue? Blaming Brexit on Putin and Voters Washington Warmongers, Moscow Prepares Trump Could End the New Cold War The Real Enemies of US Security Kremlin-Baiting President Trump Neo-McCarthyism Is Now Politically Correct Terrorism and Russiagate Cold-War News Not "Fit to Print" Has NATO Expansion Made Anyone Safer? Why Russians Think America Is Attacking Them How Washington Provoked—and Perhaps Lost—a New Nuclear-Arms Race Russia Endorses Putin, The US and UK Condemn Him (Again) Russophobia Sanction Mania Cohen's views have made him, it is said, "America's most controversial Russia expert." Some say this to denounce him, others to laud him as a bold, highly informed critic of US policies and the dangers they have helped to create. *War With Russia?* gives readers a chance to decide for themselves who is right: are we living, as Cohen argues, in a

time of unprecedented perils at home and abroad?

Sara Lost and Found

Personal computing has reshaped economies and industries, and is transforming how we express ourselves and relate to one another. The most personal of personal computers are the portables. We carry these gadgets with us wherever we go, whether they're laptops, smartphones, or the coolest new Web-surfing devices. The Race for Perfect tells the story of two generations of entrepreneurs, designers, and engineers as they have struggled to make ever-better portables. Steve Hamm takes the reader into a world where inspiration, design, engineering, and marketing come together to produce wave upon wave of the innovative products that we love to talk about and use. From the earliest days of portable computing, 40 years ago, entrepreneurs and designers have pushed forward relentlessly in a quest to create the perfect device. Their efforts have produced a few fabulous successes and many failures. But they never give up. They're driven by the basic rule of the tech industry: innovate or die. In addition to a fascinating read, The Race for Perfect offers valuable lessons for business people in any industry, revealing how they must INNOVATE constantly to differentiate their products CREATE design principles that are timeless INTEGRATE design and engineering so products are both useful and fun to use IMPROVE quality and convenience without compromise TAP social networks to turn customers into fans At the center of this tale is the story of a single product, Lenovo's ThinkPad X300 laptop. Lenovo, the first Chinese company to seek to establish a global consumer brand, bought IBM's PC division in 2005 primarily to get the company's storied ThinkPad laptops. The X300 was conceived as a "halo" product that would draw customers to Lenovo's entire line. Woven through The Race for Perfect is a case study of how this ambitious company, with teams in Japan, the United States, and China, marshaled its resources to pursue laptop perfection. As X300 came close to the finish line, it collided head-on with Apple's super-slim MacBook Air—with surprising results.

Pointer System for Guitar

One day in 1986, Laura Schroff, a busy ad sales executive, passed an eleven-year-old boy panhandling on the street. She stopped and offered to take him to McDonald's for lunch. Twenty years later, at Laura's fiftieth birthday party, Maurice Mazyck gave a toast, thanking Laura for her act of kindness, which ended up changing the course of his life. In that toast, Maurice said that when Laura stopped on that busy street corner all those years ago, God had sent him an angel. Laura's invisible thread journey has deepened her belief that angels -- divine and otherwise -- are all around us. After her previous book was published in 2011, readers from around the country and world began sharing with Laura their own stories about how chance encounters with strangers have changed their lives. From a woman who saved a life simply by buying someone a book, to a financier who gave a stranger the greatest gift of all, to a teacher who chose a hug over discipline and changed a lost boy's future -- Angels on Earth will introduce a series of remarkable people whose invisible thread stories will move, surprise, and inspire readers.

Samurai Santa

Noted Belgian psychoanalyst Paul Verhaeghe shows us what it is about sex that both keeps us moving and inhibits us at the same time. The first essay, The Impossible Couple, is both a humorous and razor-sharp analysis of the contemporary relationship between man and woman. In the second essay, Fleeing Fathers, the author demonstrates that today the Freudian Oedipus complex has disappeared, with a resulting shattering of classic gender roles. Post-modern morals are strange compared to previous morality, because they convey an obligation to enjoy. Things become even stranger when one finds that the expected enjoyment fails to come and, instead of that, we are faced with boredom, anxiety, and anger. The reasons for this are discussed in the third essay, The Drive. Today, sexual abuse is omnipresent, with the male in the role of offender, women and children reduced to his victims. Paul Verhaeghe reconsiders the opposition between Eros and Thanatos as an opposition between two forms of sexual pleasure. The fact that this opposition is ever present in heterosexual love demonstrates that gender differentiation goes beyond temporal cultural forms.

How the ThinkPad Changed the World and Is Shaping the Future

Attractive short pieces for the beginner, with illustrations. A useful supplement to Me and My Piano and the earlier stages of Piano Lessons Book 1. The Studies book contains easy melodic studies in the form of short pieces, each concentrating on specific technical points including legato and staccato playing, equality of fingers, singing tone and dynamics.

I Need A Valentine

Catelyn Cross and her squad are back from qualifying for the nations' biggest cheer competition. Fresh off a win, their coach has gone crazy by deciding to add guys to the squad and hire a choreographer. Hasn't she ever heard "if it's not broke don't fix it?" If that's not enough, the CHILL Cheer team is opening classes for kids, which means they will share space with a noisy, messy squad of mini-bows and sparkles. Will the base fall out from under Catelyn or will the squad continue to fly?

Henry and Mudge Take the Big Test

A new thriller from the Edgar-nominated author of Trust No One and Joe Victim about a blind teenager who receives a corneal donation and begins to see and feel memories from their previous owner—a homicide detective who was also his father. Joshua is convinced there is a family curse. It's taken loved ones from him, it's robbed him of his eyesight, and it's the reason why his father is killed while investigating the homicide of a young woman. Joshua is handed an opportunity he can't refuse: an operation that will allow him to see the world through his father's eyes. As Joshua navigates a world of sight, he gets glimpses of what these eyes might have witnessed in their previous life. What exactly was his dad up to in his role as a police officer? There are consequences to the secret life his father was living, including the wrath of a man hell bent on killing, a man who is drawing closer and closer to Joshua. Joshua soon discovers a world darker than the one he has emerged from... Thriller connoisseur Paul Cleave is back with another riveting story of hidden secrets and unspeakable horrors that will keep you guessing until the very last page.

House of Plants

Ancient Egypt, 51 B.C. Sisters Arsinoe and Cleopatra face a devastating choice: to allow Rome's army to siphon power from their ailing father, or to take matters-and the dynasty-into their own hands It's the dawn of a new era for Egypt as Cleopatra and her brother, Ptolemy, are welcomed to the throne after their father's death. But joint rule breeds its own conflicts: can the Nile be shared? Long overlooked by his father in favor of the beguiling Cleopatra, Ptolemy is determined to prove his ability as both man and king-but, at eleven, he is no match for his elder sister, who's quick to assert her primacy throughout the land. Their sister Arsinoe is torn between her siblings in one of history's greatest power struggles. As the palace echoes with rumors, scandals and betrayal, Arsinoe's love for her childhood friend Alexander deepens into a forbidden passion that could endanger both their lives. When Cleopatra is forced to flee a rebel uprising, Arsinoe decides she has no choice but to follow her sister into exile. Yet while Cleopatra gathers an army to retake the crown, Arsinoe begins to doubt whether her sister is the champion Egypt needs. Faced with the choice of betraying her family or her country, Arsinoe will determine a kingdom's fate and the course of history. It's the dawn of a new era for Egypt as Cleopatra and her brother, Ptolemy, are welcomed to the throne after their father's death. But joint rule breeds its own conflicts: can the Nile be shared? My Pet - Car

Sisters Anna and Sara must rely on each other for strength as they face being separated by the foster care system in this heartwrenching tale of sisterhood, family, and survival. Sara and Anna Olsen face an uncertain world. Their mother left home and may—or may not—be coming back. Their father is a drummer in a band and comes home long after the girls go to sleep—if he comes home at all. Too often, ten-year-old Sara and twelve-year-old Anna are left to fend for themselves. Then one night, three loud knocks at the door change everything: their father is in jail and social services has come to take the girls away. Rather than risk being split up, Sara and Anna decide their only option is to run away. But the girls don't get very far, and when the authorities catch up with them, Sara and Anna are forced back into the foster care system. Along the way, the girls encounter good people who want to help them but they also meet people who have no patience for mistakes or accidents. As Anna begins to act out or withdraw completely, Sara knows that it's up to her to take care of her older sister. But what if she can't anymore? What if she finds a forever home that may not include Anna? Will Sara keep the promise she made to her mother to stay with her sister or will she find the courage to do what's best for herself? In a starred review VOYA said "Sara's story will tug at heart strings; Readers will cheer for her to succeed." Inspired by true events, this heartrending and hopeful novel of survival, friendship, and sisterhood, tells the tale of two sisters who must find the strength to face anything that life may throw their way.

Pyramid Scheme

(Guitar Method). The great success of the world-famous Pointer System keyboard method led to the development of the Pointer System For Guitar. Thousands of non-musicians have learned to play guitar with this easy 'strum and sing-along' approach. Fundamentals of hand position: playing three-string chords; reading chord symbols; adding bass lines.

Angels on Earth

Just because you're extremely cute, doesn't mean you can't operate a bulldozer! From author-illustrator David Gordon comes a fun, funny, and whimsical take on believing in yourself and telling bullies who's boss! Karen and the other extremely cute animals just want to build sand castles. But the terribly mean bullies Skyler, Mike, and Trent keep knocking them down! So Karen and her friends get another idea. They'll build something the bullies can't knock down, something even bigger and better than a sand castle It's a good thing being excessively cute doesn't prevent you from operating

heavy machinery!

Coaching for Breakthrough Success: Proven Techniques for Making Impossible Dreams Possible

International Debt Statistics (IDS) 2016 (formerly Global Development Finance) provides statistical tables showing the external debt of 125 developing countries that report public and publicly guaranteed external debt to the World Bank's Debtor Reporting System (DRS). It also includes tables of key debt ratios for individual reporting countries and the composition of external debt stocks and flows for individual reporting countries and regional and income groups, along with some graphical presentations. IDS 2016 draws on a database maintained by the World Bank External Debt (WBXD) system. Longer time series and more detailed data are available from the World Bank open databases, which contain more than 200 time series indicators, covering the years 1970 to 2014 for most reporting countries, and pipeline data for scheduled debt service payments on existing commitments to 2020. International Debt Statistics 2016 is unique in its coverage of the important trends and issues fundamental to the financing of the developing world. This report is an indispensable resource for governments, economists, investors, financial consultants, academics, bankers, and the entire development community. In addition, International Debt Statistics will showcase the broader spectrum of debt data collected and compiled by the World Bank. These include the high frequency, quarterly external debt database (QEDS) and the quarterly public sector database (QPSD) developed in partnership with the International Monetary Fund and launched by the World Bank. Table of Contents * Indicators * PART I: Overview Introduction Debtor Reporting System Trends in Debt Stocks and Flows, 2014

'Tis the season for tidings of romance—Crush style! Noelle's birthday is on Christmas. And her crush, Noel, was born on Christmas Eve. If that's not romantic fate, what is? In addition to being incredibly cute, Noel is just about the nicest boy Noelle has ever met. But it seems like Noel is friendly to everyone. Noelle isn't sure if his goodwill toward her is simply holiday spirit or maybe something more?

The Scary Library Shusher

WEATHER ALERT: SEVERE STORMS AHEAD Gemma and Hallie's world has come to a screeching halt. Their parents are engaged, which makes them step-sisters. Nothing in the world could possibly be worse for Gemma and Hallie--they won't let it happen. Even if it means putting their own feud aside to separate their parents. Events quickly escalate as a hurricane rips through the Hamptons leaving everyone (including Gemma's two exes, her current crush, best friend, and her nemesis) bottled up in one house. One big, miserable group of exes and enemies together allow secrets to unfold and plans to be plotted. The calm before this storm definitely doesn't exist. Katie Finn pulls out all the stops for this fast-paced, dramatic conclusion in the Broken Hearts and Revenge series, Hearts, Fingers, and Other Things to Cross.

Winter Mix Cut-Outs

The ThinkPad notebook computer has been at the center of the digital revolution that has transformed millions of lives around the world, allowing users to obtain access to their documents, pictures and other personal data from virtually anywhere at any time. More than 100 million ThinkPads have been sold since they were introduced in 1992, some twenty-

five years ago. ThinkPads played a prominent role in NASA's space exploration and at the International Space Station. They accompanied explorers who traversed the entire length of the Nile River and conquered Mount Everest. ThinkPads also played a major role in changing the very architecture of how humanity's knowledge is stored and made available. In this book, Arimasa Naitoh, the father of the ThinkPad, collaborates with American business journalist and author William J. Holstein to write candidly about the incredible technological and personal struggles he and fellow engineers faced. And he offers his vision of the future of mobile computing—because this revolution is not even close to being finished.

The Race for Perfect: Inside the Quest to Design the Ultimate Portable Computer

Originally published in 1892, this early work is a fascinating novel of the period and still an interesting read today. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Drowning King

“Sweetbriar Cottage is a story to fall in love with. True-to-life characters, high stakes, and powerful chemistry blend to tell an emotional story of reconciliation.” —Brenda Novak, New York Times bestselling author

When Noah and Josephine discover their divorce was never actually finalized, their lives are turned upside down. Following his divorce, Noah gave up his dream job and settled at a remote horse ranch in the Blue Ridge Mountains of northern Georgia, putting much-needed distance between himself and the former love of his life. But then Noah gets a letter from the IRS claiming he and Josephine are still married. When he confronts Josephine, they discover that she missed the final step in filing the paperwork and they are, in fact, still married. Josephine is no happier about the news than Noah. Maybe the failed marriage—and botched divorce—was her fault, but her heart was shattered right alongside his, more than he would ever believe. The sooner they put this marriage behind them, the better for both of their sakes. But when Josephine delivers the final paperwork to his ranch, the two become stranded in his cottage during the worst spring snowstorm in a decade. Being trapped with Josephine is a test of Noah's endurance. He wrestles with resentment and an unmistakable pull to his wife—still beautiful, still brave, and still more intriguing than any woman he's ever known. As they find themselves confronted with each other and their shared past, old wounds surface and tempers flare. But when they are forced out into the storm, they must rely on each other in a way they never have before. Josephine finally opens up about her tragic past, and Noah realizes she's never been loved unconditionally by anyone—including him. Will Noah accept the challenge to pursue Josephine's heart? And can she finally find the courage to trust Noah? “Sweetbriar Cottage is a wonderful story, full of emotional tension and evocative prose.” —Francine Rivers, New York Times bestselling author of Redeeming Love

A Killer Harvest

Noelle's Christmas Crush

In this 10th book in the Henry and Mudge series, Henry's big dog Mudge does not know what these words mean: Heel. Sit. Stay. Mudge needs to go to school!
