The Unity Reset Program is for those: who are ready to be in a more consistent flow of peace, health, happiness and harmony within themselves and with all life; who can honour our individual uniqueness and cultures, so that we can all enjoy the 'one people on one planet living in harmony zone' on Earth; who like things simple that work; who are ready to vibrate themselves beyond the pattern of duality and limitation; who are ready to let the past go and see that each moment is brand new and so it is for those who are ready to use their mental energy in ways that enhance the whole. Our Unity Reset Program is for those open to enjoying true unity consciousness with all. Lastly, this program is for those who are ready for the 'more than everything zone'. To achieve the above, in our Unity Reset Program we will share inspirational life stories as we apply the science of Unity, using a system that has been taught time and time again to many evolving worlds to help complete their ascension process.

This eagerly anticipated text from one of the worlds' leading academics in this field takes a truly international approach to this fascinating subject, providing a balanced approach to both EU competition policy and US antitrust. The structure of the text allows flexibility for the teacher, sothat they can teach from either a US, European approach or incorporate both. The text also includes contemporary topics not found in other texts of this kind such as Contestable Markets and Experimental Economics.To help instructors teach from this text, an Instructors Manual, PowerPoint Slides, and a Multiple-Choice Test bank are available to instructors from the supporting Online Resource Centre.
